Re: Adjournment Request for Civitano v. PamRob, Inc. and Pamela Hochstin.
Docket No. 17-cv-10056 (CS) (PED)

Dear Judge Davison:

As discussed earlier with Courtroom Deputy Mr. Frank Cangelosi, opposing counsel has consented to an adjournment for the conference scheduled for August 27, 2018 at 2:30 pm. Ms. Berg is unavailable from August 28 – September 5 and September 10 or 11. I am unavailable from September 12 -14 and September 25. Defendant's counsel prefers a date as soon as convenient for the Court.

No previous requests for adjournment or extension have been made by Plaintiff.

I will call to inquire whether the Court has granted the request.

Respectfully submitted,

Clif Bennette
